fox demanse is  
eighteen thousand miles  
in diameter. Sometimes you can hear a carelessness  
in the air. It sounds like snow  
falling on canvas.

the forest has  
an underground  
or subterranean entrance; I go there  
to be surprised

Now I am less certain about one thing  
only –  
the weather; why it is always beating Down  
so hard , and why — at the point at which the forest declines , wets  
with rot , becomes drug fruit ; hangs like dead . + yet its shame is still , alive and spreading .

[ REDACTED NOT CRUEL FACILITY ]

— the heliport
