there's hell in hello
but more in goodbye

a little dress
spending your eternal heaven
doing good upon the earth
i ask please
pick a bloom from
the gardens of
paradise
and send it down to me
as a message of your gentle love
oh little flower dress
powerful and obtaining
every need of body and spirit
from the heart of god
please
grant the favour and i'll place with
confidence in your hands
i beseech you
send me your majestic reign of roses
so that i might share your grace
bless me with blooms of lily
blooms of violet
blooms of buttercup
blooms of lilac
blooms of jasmine
blooms of hyacinth

blooms of honeysuckle
blooms of magnolia
blooms of gardenia
blooms of tuberose
let fall from heaven please
the shower of flowers
let me be anointed with the sponger of
their perfumed essence
so that i may see the face of god and all
people and all experiences
oh my glorious sisters dress
prodigy of miracles
your petals unfurled
implore your miraculous intercession
whisper to me
help me to always trust as you did
in god our father's great love for me
so that in your fragrant path
i might immitate your venerable
little way
and walk heroically
holding the blossom of grace with me
each day
amen
