Gardener.

Wanderer.

Botanist.

Apothecary.

What a weirdo.

spends his time gardening his world.

One day he left to the other's worlds.

if you only knew.

his pilgrimage.

gets him from plant to plant.

.waq.wa. woody

.v.r.bascum

.wild.marum

.eye.

similarly found lemon balm in his manuscript.

mathematical formula

andjodân.

To find himself he learns to recognize fruit trees

ap. ap. apples.

woody type

he blows on

Taraxacum officinale.... Dandelion.... Dent.de.lion.....

Wet.a.bed....Pee.a.bed....Pi.sans.lit.....

Monks.head

Asteraceae

fields are overgrown with flowers.

flowery.

beard.
